

Photo / Video Release

I hereby grant the Skagit Environmental Endowment Commission (SEEC) and those acting with their authority and permission the unqualified right and permission to copyright, use, reuse, publish, and republish video, audio, and photographic images of me, without restrictions as to changes or alterations, from time to time, through any media now known or hereafter devised, for art, advertising, trade or other lawful purpose.

I understand that these pictures, video, and audio may be used at SEEC's discretion in print and electronic publications and communications, and on websites and social networking sites. SEEC's website is at <https://skagiteec.org> and all social channels in use by SEEC are noted on every webpage, top and bottom. SEEC's public messaging is and will continue to be limited to protecting and promoting conservation values of the Upper Skagit Watershed as per its treaty mandate. <https://skagiteec.org/about/high-ross-treaty>.

I, for myself and my heirs and assigns (and for any minors(s) listed below) waive any right that I might have to inspect the finished product(s) and release SEEC and their legal representative and all others acting under their authority or those for who they are acting, from any liability that may occur in the production of video, audio, or photographic images.

I warrant that I am of full age and have the right to contract in my own name (or, in the case of a minor, I am the parent or legal guardian vested with such rights). I have read this release prior to signing it and fully understand all of its terms and their meaning.
